Freshmen homeroom presidents represent the class in the S.C.A. meetings

FRESHMEN PRESIDENTS: Johnny Browning, Steve Bates, Gary Smith, Garland Fraley, Kate Hibbitts, and Teresa Mullins.

This year's freshmen class is divided into six homeroom sections having a total of 215 students. Sponsoring the homerooms are Miss Sharon Bolling, Miss Ruth Carter, Mr. Thomas Countiss, Mrs. Darlis Daugherty, and Mr. Ronald Dowell.

The students in this class choose, in addition to English, Science and Physical Education, such electives as French, Latin, General Business, World Geography, Algebra I, World History, and Home Economics I.

Early in the fall homeroom officers were nominated; and after being screened by the faculty, were voted on by the students in each section of the ninth grade. The students pictured above were elected to represent the class on the Student Cooperative Association.

Eighth graders elect officers to represent Kelly's newest citizens

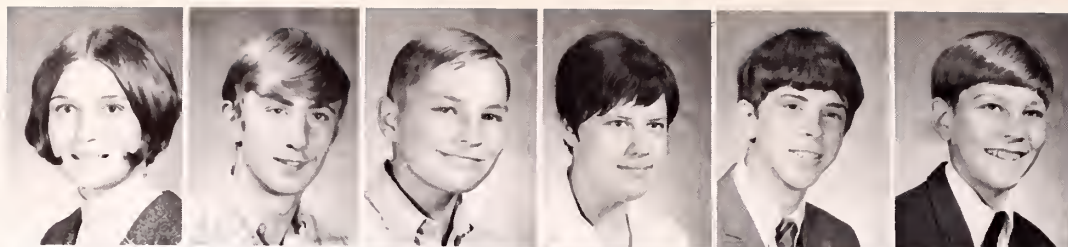

EIGHTH GRADE PRESIDENTS: Susan Hamilton, Steve Muncy, Becky Bays, Frank Amburn, James Robinson, and Debbie Horn.

The J. J. Kelly graduates of 1974 made their debut this year as our incoming eighth graders. At first the complexities of high school life seemed overwhelming, but once accustomed to them, the new students became adjusted. If everything runs smoothly and no one drops out, this class will earn the distinction of being the largest graduating class ever at Kelly — with 245 students in 8 homerooms.

For the first time at Kelly High, the entire class was grouped into two large English classes with three instructors doing team teaching. A few of these students who had the highest grades moved ahead into freshmen courses.

The eighth graders chose as their presidents the students pictured above.

Herff-Jones, Co.

Indianapolis, Indiana

Every year, soon after school starts, Buddy Moses is the most popular salesman who calls at Kelly. The reason — he is the Herff-Jones salesman for Junior class rings and distinctive Junior-Senior class jewelry. In September, students from the Junior class are measured for the new rings; and in October, the Seniors order graduation announcements and class jewelry.

The Herff-Jones Company of Indianapolis, Indiana, is also the designer and manufacturer of medals, trophies, and scholastic awards.
